PAN Travel Assistance Guidelines:
Immune Thrombocytopenic Purpura

The PAN Foundation’s Immune Thrombocytopenic Purpura (ITP) Travel Assistance program helps patients and their caregivers travel to and from their treatment facilities. Patients will receive their ITP Travel Assistance card by mail approximately 10-15 business days after grant approval.

Covered Services
The program covers gas and parking for travel to receive medical treatments that are covered under PAN’s ITP Travel Assistance program. The program may only be used by the patient and a travel companion, such as a caregiver.

Merchants Covered
The ITP Travel Assistance card can be used at the following merchants:
- Parking at a medical facility, college or university
- Gas stations

Spending Limits
The ITP Travel Assistance card has the following daily spend limitations for the days that the patient and caregiver travel to seek medical treatment:

Please call us at 1-866-316-7263, Monday through Friday, 9 a.m. to 7 p.m. EST, to discuss any needs that exceed the spend limits. We are here to help.

How to Use the Card
Cards should be swiped using the credit card option—no transaction fees or pin numbers are required. The funds are withdrawn from your account immediately after the card is swiped.

If the card is declined, please call us at 1-866-316-7263, option 5. All real-time transaction history and balance information can be viewed at [https://ch.pexcard.com/cardholder.html](https://ch.pexcard.com/cardholder.html).

*Please be advised that all card activity is actively monitored, and the PAN Foundation reserves the right to cancel your assistance if the card is used for any unintended or inappropriate purposes.*
